

Custom jacket patches.

OFFICALLY ONE OF A KIND.

Jostens[®]

Choose the elevated look of leather.

DURABLE, STYLISH AND CLASSIC

Upgrade to leather sleeves for the perfect balance of vintage cool and on-trend style! With leather, you get:

- Distinctive weathering over time, resulting in a wonderfully soft feel and unique wear patterns.
- Impressive durability, surpassing vinyl when withstanding an active high school lifestyle.
- Greater breathability versus vinyl, growing softer and more supple with every wear.
- The incomparable combination of look, feel and smell that only leather brings to the table.
